

REMARKS

The amendment document that Applicants filed on April 20, 2005 is considered non-compliant because the status identifiers for claims 23-40 and 59-74 should be "cancelled" not "withdrawn." Applicants have resubmitted the corrected section of the non-compliant amendment document pursuant to 37 CFR 1.121(h).

In view of the newly submitted amendments, coupled with the remarks filed on April 20, 2005, Applicants respectfully submit that the application is now in condition for allowance. Early notification of such action is earnestly solicited.

Respectfully submitted,

Bristol-Myers Squibb Company
Patent Department
